

# Title I Region Family Engagement Centers' **Open House**

*“Parents,  
It’s FREE!”*

(Family Resources for  
Educational Enrichment)

*Visit your  
regional center  
today.”*

The in-school centers, which are geographically located across the district, provide workshops and resources to parents and caregivers of DeKalb County Schools students, helping them be involved in their children's education at home. Each center is equipped with multiple computers, a lending library, college information, online resources for the four core contents (grades K-12) and more.
